DRAIN GULLIES

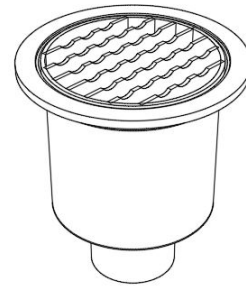

VER.1 - 09.2022

DESCRIPTION

Our range of drain gullies are available in various styles and sizes and as a bottom or side outlet.

They are made with high quality 304 or 316 grade stainless steel.

Our designs focus on creating an easy drain, hygienic and durable product suited for food grade environment.

TECHNICAL SPECIFICATIONS

- Made from 304 or 316 grade stainless steel
- Available in light, medium or heavy duty strength
- Square and round gullies available with bottom or side outlets and fixed or removable traps.

CLEANING & MAINTENANCE

Our drain covers are easy to clean and maintain.

We recommend regular checks for damage and blockages.

Recommended cleaning methods are steam, water, non abrasive scrubbing and mild detergents.
